

# Light provides comfort in the darkness.

*Those touched by cancer know the dark times this disease can bring.* But even amid the darkness, lights of hope and comfort shine.

The American Cancer Society Relay For Life is an overnight event that unites community members against cancer. One of the cornerstones of this important event is the luminaria ceremony, where candles shine in honor of those who battle cancer and in memory of those who have been lost. As Relay For Life participants walk throughout the night, the luminaria light their journey.

If someone in your life has been touched by cancer, order a luminaria in their honor or memory. Your donation will help fund the American Cancer Society's fight against this disease, including research to help find a cure. To order luminaria for your local Relay For Life, visit our webpage at [www.relayforlife.org/terrebonne](http://www.relayforlife.org/terrebonne).
