

ACCEPTABLE SERVICE HOUR ORGANIZATIONS

The Religion Department seeks to bring a strong academic education program alive in a program of religious formation and experiential faith. One method of putting the Gospel into practice, service to others, is stressed at every level. Consequently, service hours are a required part of the religion program. Advancement to the next level is dependent upon completion of the required service hours.

Each grade level has a required number of hours to complete:

8 th Grade	- 10 hours
9 th Grade	- 15 hours
10 th Grade	- 20 hours
11 th Grade	- 25 hours
12 th Grade	- 30 hours

Enclosed is a list of places students must use to earn service hours. ANY NON-PROFIT ORGANIZATION IS ACCEPTABLE, however, any place not on this list must be approved by the head of the religion department.

Students can earn service hours in the following church parishes by helping with the CCD program. Classes vary from Sunday through Thursday nights. Students can work in the capacity of teacher,, teacher's aide, or baby-sitter. There is also a senior citizen group in each parish that could utilize students. Altar servers may use their Mass Schedule to earn hours. Student lectors, music ministers, and Eucharistic ministers may acquire hours through their ministry.

VANDEBILT CATHOLIC HIGH SCHOOL

Service hours done at Vanderbilt must be approved IN ADVANCE by the academic assistant, principal, the athletic director, or the Religion Department director ONLY, and only one half of required hours may be done on campus.
