### **Vandy Volleys It Forward**

Volleyball took a bit of a backseat at the Hall of Fame exhibition matches as six of the eight teams competing donated numerous supplies to two of the schools affected by recent flooding in the Baton Rouge area and East Ascension and St. Amant High Schools. Vanderbilt varsity, junior varsity, and junior high volleyball teams and the volleyball parents donated \$900.00 worth of cleaning supplies and bags of volleyball equipment to the East Ascension volleyball team and coaches.

### **Terriers Win On and Off the Field!**

Terrier football players, coaches, and administrators spent the Saturday following a victory over Holy Cross High School helping Denham Springs residents gut and clean their homes after the recent flooding. More than forty students volunteered their time and energy helping those in need and supporting our mission strategy of the integration of faith and community life. [Click here for more!](#)

### **Fund Drive for Denham Springs High School**

VCCHS conducted a drive to raise money to help the community of Denham Springs High School, where VCCHS Class of 2009 alumna Carlye Latas is assistant band director. Students were able to raise over \$7000 in ten days! Everyone was rewarded with a dress-down day on Friday, August 26. Thank you and God bless you for your generosity!

### **Checkmate!**

The VCH Chess Club is in full swing for the new school year. Officers are president Lane LeBlanc and vice president Farid Abou-Issa. The club will meet before school on the second and fourth Friday of each month, with the exception of exam and holiday weeks. The first official meeting was held on August 26, with 39 students eager to play chess. The next meeting will be on September 9.

### **Welcome, Eighth Graders!**

Eighth Grade Get Acquainted Night was held on Saturday, August 20. Students enjoyed a fun-filled evening with games and dancing!

### Water, Water Everywhere!

Vandebilt's school library flooded on Memorial Day, resulting in extensive floor damage. The flooring was replaced with new ceramic tile and carpeting, and it looks awesome! We invite everyone to stop by and admire this must-needed facility improvement.
